REPUBLICANS TO SIX HUNDRED ON

Evening Throughout the City.

MANY WILL BE PRESENT SEATS WILL BE RESERVED

PRECAUTIONS WILL BE TAKEN PRESIDENT TAFT BEGINS SPEAK-TO PREVENT INTERFERING.

The Republican primaries to select delegates to the city convention to be held on Wednesday evening at the Salt Lake Tuesday evening will be held Monday evening at the various election precincts. The indications are that there will be an excellent turnout of Republicans at

each election district. The dissension in all the other political parties insures the success of the Republican ticket at the city election. Prepublican ticket at the city election. Previously there was a strong probability of success. Now it is absolutely certain. For this reason it is particularly desirable that strong, representative Republicans be sent as delegates to the convention in order that the best possible city officials may be selected at the conventions. There is a probability that in some of the districts there will be attempts made by members of other parties to control the primaries. Those in charge of the primaries, Those in charge of the primaries, however, have taken precautions against just such occurrences and all of those known to be affiliated with other parties will be barred from participation in the primaries. The motive of those who will seek to interfere with the selection of Republican delegates is to defeat the Republican delegates and to send persons to the conventions as delegates who will oppose the nominadelegates who will oppose the nomina-tions of good Republicans and who will seek to force on the party the candidacje. some who are not in sympathy with the regular party organization.
